

FROM THE DESK OF HEADMASTER

Our school, situated just beside HWH-BDN chord line in Dhaniakhali Development Block of Sadar Sub Division, Hooghly, West Bengal, is an H.S.; Co-ed; Sponsored Institution under jurisdiction of D.I. (SE), Hooghly. As a result of noble effort from renowned mathematician Keshab Chandra Nag along with distinguished & common residents of Gurap, Karunamoy Nag, another respected personality, founded our school in sweet memory of his father, Late Ramani Kanta Nag and officially in 1932, this school (recognized by The Calcutta University) was inaugurated by renowned professor Akshay Kr. Sarkar and began its journey (upto Madhyamik Level) as a secondary school. We are and will remain indebted to the then Staffs, SMC Members, Guardians & Villagers for their dedication, love and respect for this institution. Gradually, it was recognized by WBCHSE as H.S. school in 1976 and since then, thousands of students successfully completed their HS course (from Science/Arts/Commerce Streams) till now – out of several brilliant performers, specially performance of Aniruddha Banerjee (who secured 5th rank in HS Exam 2020) may be mentioned as a glorious achievement from this institution. At present, there are various infrastructural facilities – Big Hall room(s), Playground within Outside Boundary Wall, Enriched Library, Permanent Cultural Stage, Equipped Gymnasium, Digital Class room + ICT Lab Room(s) etc available to young energetic learners for All Round Development and we are thankful to Present Staffs, SMC Members as well as villagers for united, selfless endeavor in the greater interest of their beloved institution. We are eagerly looking forward to celebrate 100th year of establishment of GURAP RAMANI KANTA INSTITUTION – silent witness of own evolution over decades with unforgettable memories ----- Headmaster , Gurap R K Institution (DISE CODE : 19121822904).
